

IMPORTANT SAFETY INFORMATION

Read and understand all safety precautions and instructions before use.

The Grubber Tugger Chain is designed for outdoor use.

Check the Grubber Tugger Chain before each and every use for signs of wear.

Do Not use if damaged or not working properly

The Grubber Tugger Chain is designed for use with the BG-01 and BG-08 model Brush Grubbers

The Grubber Tugger Chain is not to be used on people or pets.

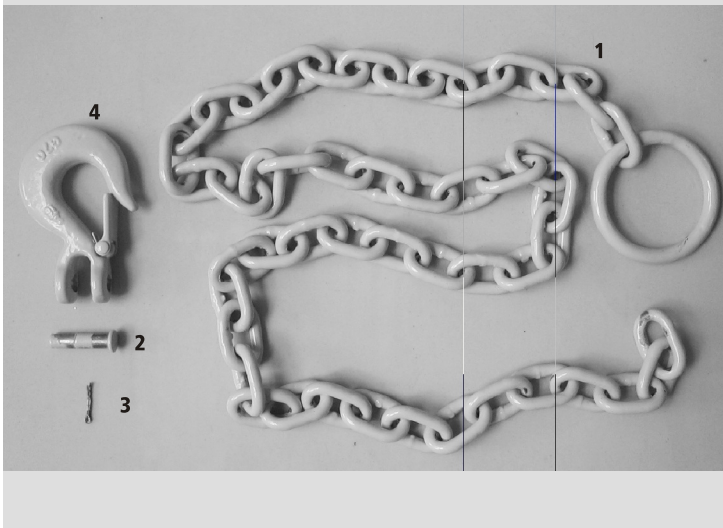

For use on ATV, UTV, lawn tractor, or compact tractor.

INSTRUCTIONS

1. Cut tree off at 3ft to 4ft.
2. Attach the end of the Grubber Tugger Chain with the hook with the spring loaded safety latch to the clevis of the Original Brush Grubber (BG-01) or the Heavy Duty Brush Grubber (BG-08).
3. Attach the opposite end of the Grubber Tugger Chain to the towing vehicle. Attach it by placing the Large ring over the ball on the receiver hitch.
4. Be sure the Grubber Tugger Chain is securely attached at both ends before attempting to pull. **Take caution of all pinch points on the Grubber Tugger Chain.**
5. Slowly tighten Grubber Tugger Chain. **Do Not jerk Grubber Tugger Chain while there is slack in the chain.**
6. To remove Grubber Tugger Chain take tension off the chain by backing up. Then remove chain from towing vehicle or Brush Grubber.
