

Important Safety Information

Read and understand all safety precautions and instructions before use.

- The Root Buster is designed for outdoor use.
- Check the Root Buster before each and every use for signs of wear.
- Do Not use if damaged or not working properly
- The Root Buster is designed for use on roots and brush.
- The Root Buster is not to be used on people or pets.
- Always make sure electrical and gas lines are marked by utility companies before using The Root Buster.**
- Use caution when handling the Root Buster with the snap pin removed from handle; always be sure snap pin is securely in place before transporting.**

Instructions

Place the v-shaped part of the Root Buster blade over the root or brush to be removed. Be sure all body parts are clear of the blade and any pinch points

Raise the slide hammer on the handle and thrust downward to cut root/brush. Continue this motion until the entire root/brush is cut through completely.

If necessary, repeat steps 1 & 2 on the opposite end of the root to remove completely.
